**FETE DE LA FLEUR AT CHATEAU MALARTIC-LAGRAVIERE  
21<sup>st</sup> JUNE 2017**

**Château Malartic-Lagravière, classified growth of Graves, will host the traditional *Fête de La Fleur* on Wednesday 21<sup>st</sup> June 2017 a prestige event held as Vinexpo draws to a close in Bordeaux.** This *Fête de la Fleur* will also celebrate the 20<sup>th</sup> anniversary of the Bonnie family's acquisition of the property.

The *Fête de la Fleur* was first organised by the *Commanderie du Bontemps du Médoc, des Graves, de Sauternes et Barsac* in 1959 and every year celebrates the small flowers that appear on vines symbolising the hopes for the coming harvest. Today, it is a highly respected get-together for winegrowers, merchants, brokers, wine professionals and connoisseurs from all over the world, who spend an evening united around their common passion for great wines. The event has been honoured by many French and international celebrities, who have attended this world-class event that is a major contributor to the planetary reputation of Bordeaux's great wines.

For 20 years, the Bonnie family have worked to elevate Château Malartic-Lagravière amongst the ranks of the very best wines in the Pessac-Léognan appellation. Everything is done to enable this premium terroir to express itself in all its magnificence: intra-plot management of the vineyard, High Environmental Value certification and the whole winemaking process is gravity-fed.
